

Our Fire Engine is a large themed spring rocker product. It is an inclusive play item and offers the ability for many children to play on it at one time. It promotes imaginative play and role playing. The springs also make it a fun ride due to the movement that can be created by rocking.

Rocking on a Fire Engine rocker trains children's motor skills, balance and coordination.

## SPECIFICATIONS

Product Code: SE65
Age Range: All Ages
Max Equipment Height: 1720mm
Max Fall Height: 880mm
Equipment Size: 2300mm x 1160mm
Minimum Fall Zone: 15.7m <sup>2</sup>
Play spaces: Parks, schools, commercial

## MATERIALS

COLOURS	Frame: Standard Powdercoat Range Panel: Red/ Blue/ Dark Green/ Brown
MATERIAL SPECS	Frame: Galvanised Steel Fasteners: Steel & Stainless Steel Powder Coating: 80-120µ Plastic: Tri-laminate and injection moulded
